

COMMEMORATING THE FORTY-YEAR CAREER OF DONALD MASSEY OF NEW MEXICO

HON. TOM UDALL

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 17, 2004

Mr. UDALL of Mexico. Mr. Speaker, I rise today before this august body to commemorate the distinguished career of my constituent, Donald Massey, of Portales, New Mexico. It is an honor not only to represent Mr. Massey, but also to have the opportunity to commend his virtues. Through four decades of service and dedication to the people of New Mexico, Donald Massey brought telephone and wireless communication services to thousands of rural New Mexicans, as well as volunteering his time and energy to the community of Portales. Today, Mr. Massey is the CEO and Executive Vice-President of the Roosevelt County Rural Telephone Cooperative, Inc. (RCRTC), which offers telephone service to rural communities throughout Eastern New Mexico. He has also been the coordinator and spokesman for the State of New Mexico at the National Telecommunications Cooperative Association legislative conferences from the 1980s to the present.

In 1949, President Truman and this body recognized the need to bring telephone service to rural areas of our country, a need that is sometimes a matter of life and death. When Congress saw the need, men like Mr. Massey did the work. Beginning in 1964, he installed and maintained telephone lines in Eastern New Mexico as a lineman for the RCRTC. For the next 40 years, he successfully rose through company ranks to the very top management position. Far from being solely dedicated to his profession, however, Mr. Massey has continually served as a devoted member of his community, setting an example for his fellow citizens.

One instance of his service to his community was in October, 1998. In that year, the local hospital closed, and the residents were left without a medical facility. Donald Massey stepped in, and by helping obtain a grant of \$836,000 for the hospital, a new facility was quickly built. He ensured that fiber optic and wireless communications systems were installed in the new facility and even donated his office to the CEO of the hospital until the new building was completed.

In 2003, Donald Massey received the National Telecommunications Cooperative Association Management Life Achievement Award. This award was given to honor his 40 years of high standards and commitment in the rural telecommunications industry.

It is with great honor and pleasure that I present to this body the legacy of a man revered for his accomplishments. Amidst the many troubles and challenges our Nation faces, it is imperative that we are continually reminded of the good in our country and of those citizens who lead productive, honorable lives. Donald Massey is one of those citizens. I respectfully request that my colleagues join me in expressing sincere appreciation to him for his contributions to a better America and for his many years of service to the State of New Mexico. I also wish him the very best in his retirement and for continued success and fulfillment in the next stage of his life.

Mr. ROGERS. Mr. Speaker, I rise today to pay tribute to Mr. Thomas H. Ackerman, a native of East Lansing, MI and member of the Office of the Inspector General of the United States Department of Agriculture.

Mr. Ackerman boasts a proud history of service in the field of law enforcement. Since 1980 he has served as a Federal Agent, Police Officer, and Training Academy Instructor. He has also published numerous books related to the field and spoken nationally and internationally at law enforcement training facilities and conferences, including the FBI National Academy and the Swedish National Police College.

This is the second time that he has been honored by the Department; in 2002 he was acknowledged for his work as part of the Bil Mar Foods, Incorporated, Investigation and Prosecution Team for promoting health by providing access to safe, affordable, and nutritious food.

Mr. Speaker, Thomas H. Ackerman has been a hard-working, committed member of the community. He has dedicated his life to the protection of others, and has used his wealth of experience to help people eager to begin their careers in law enforcement. I would like to ask my colleagues to join me in recognizing Mr. Ackerman for his heroism and thanking him for his service to America.

ASSISTANCE FOR ORPHANS AND OTHER VULNERABLE CHILDREN IN DEVELOPING COUNTRIES ACT OF 2004

SPEECH OF

HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 14, 2004

Ms. MCCOLLUM. Mr. Speaker, I rise today in strong support of the Assistance for Orphaned and Vulnerable Children in Developing Countries Act. I want to thank the author, Ms. LEE, for her hard work and leadership in advocating for orphans for vulnerable children affected by the AIDS crisis.

Today, there are more than 110 million orphans throughout the world. Communities heavily affected by AIDS are being robbed of a generation of adults in their most productive years, leaving behind children to be raised by relatives, left on their own in households headed by children, or even worse—living in the streets.

The scope and complexity of the challenges facing children affected by HIV/AIDS cannot be overstated. Children often must take over adult work responsibilities and provide care for sick parents or family members, forcing them

to drop out of school and social activities. Children are forced to find any work necessary to support themselves and often their younger siblings.

We have a responsibility today to make a firm commitment to ensure that the funding we promised last year, in the Global HIV/AIDS bill, goes to improve the safety, health, and survival of these children. This important legislation will establish a new office of Orphans and other Vulnerable Children within USAID to adopt a comprehensive approach for assistance and coordinate that assistance provided to orphans and vulnerable children. By passing this legislation today and maintaining our promise for HIV/AIDS funding in the appropriations bill we are preparing to consider this year, we can provide hope and opportunity to the villages and communities where these AIDS orphans live, we can play an important role in educating and investing in future generations to fight this dangerous and deadly disease, and we can preserve the history of their culture for future generations.

I urge my colleagues to support this legislation.

TRIBUTE TO MS. CONSTANCE
SCOTT SOLOMON IN HER RE-
TIREMENT

HON. JOEL HEFLEY

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 17, 2004

Mr. HEFLEY. Mr. Speaker. I rise today to celebrate and commemorate the career of my good friend and Chief of Staff of 11 years, Constance Scott Solomon, who has recently retired from 20 years of selfless public service to the people of Colorado.

Originally from Kansas, Ms. Solomon earned a Bachelor of Science in Education and a Master of Arts degree in Special Education from the University of Kansas where she was a proud member of the University of Kansas Chapter of Pi Beta Phi Sorority. After moving to Colorado Springs, Colorado, she began working for U.S. Senator William Armstrong. While serving as his Area Director, she so greatly endeared herself to Coloradans by her dedication, that 20 years later, Senator Armstrong is still thanked for and reminded of Ms. Solomon's help and assistance by those she aided in their time of need.

Following Senator Armstrong's retirement, Ms. Solomon continued to stay active in Colorado politics and joined the staff of newly elected Senator Hank Brown. She rose in the ranks and assumed the position of Area Director for southern Colorado. Again her patience and hard work are remembered years later.

In 1993, I was pleased to have Ms. Solomon join my staff and assume the duties of Chief of Staff. She has worked tirelessly for so many years to assist the people of Colorado's 5th Congressional District through both legislation and case work.

Aside from public service, Ms. Solomon has served as Director of Pre-School for Downs Syndrome Children in Teller County, Colorado; Director and Coordinator for Homebound-Hospital Program in Wyandotte County, Kansas; Director of the University of Kansas Medical Center Hospital's Teenage Parents School; and taught first-grade in Kansas City, Missouri.

Ms. Solomon has dedicated her life and professional careers to assisting and improving the lives of others. Her perseverance and commitment to her fellow man is certainly uncommon and I, as well as the people of southern Colorado will surely miss a truly unique and compassionate friend. I wish Ms. Solomon the best in her retirement and thank her for all her years of service.

SOLILOQUY

HON. JOHN J. DUNCAN, JR.

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 17, 2004

Mr. DUNCAN. Mr. Speaker, one of my constituents has written a poem that showcases our Nation's flag in a glorifying manner. Mr. Victor Miller of Madisonville, Tennessee, is the author of a poem titled "Soliloquy." Mr. Miller is the son of Jeanette Miller, who passed this poem along to me. Our country's morale and heritage is strong today because of patriots like Victor Miller. I would like to call "Soliloquy" and its interpretation to the attention of my colleagues and other readers of the RECORD.

INTERPRETATION OF SOLILOQUY

I pray this poetic edification enhances your respect for the flag from Memorial Day through Veterans Day, but more significantly, enamors your appreciations for the risen Son of God. If revered as Old Glory, "God Bless America" will enrich all our personal, domestic & international pursuits exceedingly beyond our imaginations in continual abundance if, "In God We Trust." The Lord in the USA is a bipartisan, consuming Spirit of Holiness & Power! In Christ, "Thanks be unto God who always causes us to triumph" (2 Cor. 2:14).

"Imagine as a flag (Christ) on all folks (souls) passing by with edifying waves (love) influencing (redeeming) their lives."

The essence of duty to God & country He epitomized when his ascension secured for all, Independence! In Christ are "opportunities, honor, recognition, patriotism & liberated freedoms." We're told to "stand fast in the liberty in which Christ has made us free" (Gal. 5:1). With Jesus, we're more than winners, we're "conquerors" (Rom. 8:37). The USA thrives prestigiously, powerfully & prosperously because of our humility in embracing the risen Intercessor for all humanity. His triumphant valor extends to whosoever will. "The Glory in your stripes" belongs exclusively to Jesus Christ. May we forever abstain from worshipping entombed doctrines because if we forsake his sovereignty he will abandon his favor upon the USA. He tells us in his word, "No greater sacrifice exists than to give ones' life for a friend" (John 15:13). Emulating this virtue honors our Savior & rewards us blessings. Our allegiance he is worthy of, as too our "tribute" & service. Let's pray America "valiantly" & steadfastly adheres to his "esteemed" righteousness so our liberties are preserved. "The Lord is that Spirit, and where the Spirit of the Lord is, there is liberty" (2 Cor. 3:17). The colonists were wise in understanding & adopting our Constitution upon biblical integrity. Indigenous to our country it is not but we have progressively strengthened since its inception as a nation because of their keen & humble foresight in acknowledging & incorporating in our executive, legislative & judicial structures his preeminence. Soliloquy was penned in Luray, Virginia in April 1999. I worked for the Shenandoah National Park. On this particular morning while walking to the car I heard the vigorous, insistent "waving" of Old Glory in the blustery air. The owners of the Cardinal Inn always flew a large flag from their rock garden. As I turned to "observe" the Holy Spirit spoke:

I am your Leader, your Warrior, your Friend & Victor. You are adopted into the Almighty Army of God."

America owns patriotism as a majority but is loyalty void of Christ efficacious or self-promoting? Most citizens defend the sanctity of their flag tenaciously when affronted by another. Almost universally, it flies proudly from homes, schools, parks, libraries, cemeteries, vehicles, courts, businesses & even dons our clothing. It is a rallying, focal point of inspiration in times of crisis, mourning & festivities: Higher than all other flags, it "reigns!" Holidays confirm our gratitude for the military dives spent & lost defending its cause of unanimous liberation around the globe against oppression & persecution. Membership in our armed forces always begins at conscription with a sworn vow of allegiance. Patriotism isn't predicated on military service but whenever iniquitous aggression asserts itself against integrity. "When our cause is just...In God is our trust!" is how Francis Scott Key so zealously in 1814 proclaimed. Honest defense of righteous liberties is not immune to costs but "abiding in the shadow of the Almighty" (Ps.91) secures for all patriots ultimate victory. Jesus is not envious or jealous of anything, except his glory. He is however, deserving & desirous of greater, adulation & duty. May Soliloquy serve all of God's children with victorious knowledge & hope from his Holy Spirit so we continue shining in the world as a beacon of his omnipotent Love, just as a "rushing mighty wind" beautifies Old Glory!

SOLILOQUY

Imagine as a flag
on all folks passing by
with edifying waves
influencing their lives!

A patriotic stance
of opportunities
advocating freedoms
by land, the air & sea.

Esteemed a lofty reign
& honored to belong
all would offer tributes
in oaths, salute or songs!
Recognition could abound
for victories secured
defending liberties
despite many injured.

In each of fifty stars
& elsewhere when observed
the glory in your stripes
would valiantly be served!

IN MEMORY OF BORDER PATROL
AGENTS

HON. DARRELL E. ISSA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 17, 2004

Mr. ISSA. Mr. Speaker, I rise today in memory of two Border Patrol Agents, Theodore L. Newton, Jr. and George P. Azrak, who were killed in the line of duty.

Theodore Newton and George Azrak were Border Patrol Agents stationed at the interior checkpoint in Temecula, California. On the evening of June 17, 1967, Agents Newton and Azrak were operating a rural checkpoint on Highway 79, approximately 30 miles south of Temecula. Agent Newton, 26 years old and married with two children, had been with the Border Patrol for a little over a year, while Agent Azrak, 21 years old, who was shadowing Agent Newton, hadn't even begun training at the academy. During their shift, they stopped an old military ambulance carrying two men when they discovered a shipment of more than 800 pounds of marijuana. As they
